The screenshot shows the Cinch Audio Recorder application window. At the top, there is a recording status bar with a yellow square button and a progress indicator. Below this is a search bar and a list of recorded files. The list has columns for Title, Artist, Album, duration, and date. A red box highlights the first column (Title). A red callout box points to the yellow square button with the text "Click to start/stop recording". Another red callout box points to the list of files with the text "Recorded music files are listed here". A third red callout box points to the filter icon in the bottom right corner with the text "Filter out unwanted audio files". A fourth red callout box points to the folder icon in the bottom right corner with the text "Open output folder".
